SOCIETY

My Community, Your Community, Our Community

Strathmore A.I.M. Society would like to thank our sponsors and donors for their help in ensuring the 2017 Casino Royal was a resounding success!

Thanks to the generosity of these companies and individuals, Strathmore A.I.M. Society was able to raise nearly \$12,000!

The A.I.M. Society has forged many long-lasting relationships with businesses in and around the communities of Strathmore, High River and Okotoks. The relationships that the A.I.M. Society forms during these events make us proud to be part of the community and we are very thankful for their support in helping us deliver services that ensure adults with developmental disabilities live full and rewarding lives.
